## WORK EXPERIENCE

**Bader-Rutter**  
Jr. Developer

*Milwaukee, WI  
April 2018 - Present*

I started as a dedicated email developer for Corteva Agriscience and Zoetis. I now work mostly on landing pages in Oracle's Eloqua platform, and on two large .NET based websites, Mycogen.com and Phytogen.com respectively.

**MATC Milwaukee**  
Student

*Milwaukee, WI  
January 2018 - May 2018*

After an extended job search, I went back to school full-time. I focused on server-side development with C#. Courses included:

- Intro C#
- SQL Server
- Intermediate C#
- Javascript Frameworks
- .NET Core w/ Entity Framework (currently enrolled)

**Ascedia**  
Associate Interface Developer

*Milwaukee, WI  
October 2014 - August 2017*

I collaborated with application developers and designers, and brought static design concepts to reality. Client work ranged from large scale, custom builds, to maintenance tasks in versions of Kentico CMS and Wordpress.

Notable Work:

- Milwaukee County Transit System – [www.ridemcts.com](http://www.ridemcts.com)
- Cubic Designs – [www.cubicdesigns.com](http://www.cubicdesigns.com)
- Davalid Ridge Hop Farm – [www.davaliridge.com](http://www.davaliridge.com)
- Untitled Creative Studio – [www.untitledcreativestudio.com](http://www.untitledcreativestudio.com)

**The LANG Companies**  
Web Designer

I designed and coded html emails, managed email campaigns, and in-house front end development. I managed product pages and web content for [www.lang.com](http://www.lang.com), a site built on Magento e-commerce CMS.
