WORK EXPERIENCE

Ascedia
Associate Interface Developer

Milwaukee, WI
October 2014 - August 2017

I collaborate with application developers and designers, and bring static design concepts to reality. Client work ranges from large scale, custom builds, to small maintenance tasks in a variety of versions of Kentico CMS. Retainer clients include Alto-Shaam, Zurn, Schlitterbahn Resorts, Milwaukee County Transit System, SubZero Wolf, and Rexnord Specialty Components.

Daily work flow includes morning scrums with project teams, accurate time tracking of billable work, and multitasking between various requests.

Notable Projects:
• Milwaukee County Transit System, Kentico 10 - www.ridemcts.com
• Elite Aesthetics Spa, Portal Engine Build - www.eliteaestheticsspa.com
• The Pettit Center, Wordpress - www.thepettit.com
• Cubic Deigns, Kentico 10 - www.cubicdesigns.com

Freelance
Wordpress Development

Milwaukee, WI
August 2016 - Present

I work with designers and execute the development of custom Wordpress sites for clients in the Milwaukee area. Recent builds include:

• Untitled Creative Studio - www.untitledcreativestudio.com
• State of Craft Beer - www.stateofcraft.beer
• Davali Ridge Hop Farm - www.davaliridge.com

Perfect Timing, Inc.
Jr. Web Designer - Web Designer

Pewaukee, WI
August 2013 - Oct 2014

As a member of the e-commerce team, I created web graphics and digital marketing materials with Photoshop, coded html emails and managed email campaigns, and did any in-house front end development. I managed product pages and web content for www.lang.com, a site built with Magento e-commerce CMS.
